- Laser-etched control icons
  - *Permanent, indelible markings*

### MODELS and ACCESSORIES

**E3904i** - Four zone induction boiling table

- Factory fitted, adjustable castors
- Fixed installation kit
- Suiting kit

### INSTALLATION NOTES

Adequate ventilation must be provided to supply sufficient fresh air and to allow easy removal of any such products that may present a risk to health. Please consult current legislation for details that relate to specific locations.

Install unit on a level, fireproof surface in a well-lit position. If floor is made of a combustible material, local fire requirements must be checked to ensure compliance.

A clearance of 150mm should be observed between appliance and any combustible wall.

# DOMINATOR PLUS
